Smallpox in Naples.—During the week ended August 8, 34 cases of smallpox with 2 deaths were reported at the health office of the city of Naples.

JAPAN.

Reports from Yokohama—Inspection and fumigation of vessels—Sanitary conditions—Examination of emigrants.

Passed Assistant Surgeon Cumming reports, August 3:

Week ended July 31. Bills of health granted to 4 vessels.

No further cases of plague or other quarantinable disease were reported in or near this city during the past week, and sanitary conditions at Yokohama and in the Empire are good except upon the Island of Shikoku, near Kobe, where there is an outbreak of plague.

The steamship *Indrawadi* was thoroughly fumigated and many rats were killed.
